Throstle Farm, Little Hay Field, High Peak District SK22 2NG

Margo Campbell-Wilson says "It is the most beautiful spot with only a drystone wall between the farmland and the National Trust land...some fabulous walks on moor land and in woodland ..lovely sights to spot (and great landmarks for the treasure hunt!) and to top it all a cosy pub too!!!! The road to the farm is steep but well surfaced. It is worth a visit just for the views! It promises to be a lovely place for a fun weekend ."

The famous Bouvier Rally is over the August Bank Holiday - much more info later but put it in your diaries now!! It is a not to be missed spectacular!!
